

HELP US FIND THE 2022 MISA WOMAN OF THE YEAR

The MISA Woman of the Year award is one of the most important development initiatives of the MISA Women's Forum.

As a campaigner for the equal rights of women in the retail motor industry, the MISA Women's Forum instituted this award in 2010 to pay homage to the role that women play in this important economic sector.

But the award aims to do more than that: it is an important opportunity for the winner to grow and develop personally and professionally during her tenure as the MISA Woman of the Year.

We are not necessarily looking for the most senior, most successful woman in the retail motor industry, but we are looking for someone who has the potential to develop far beyond their current job title and role.

Another important criterion is also the difference the person makes in the lives of others, whether it's through community involvement, or by simply touching and enriching the lives of people at work or in the community.

We all know someone who is the 'sunshine' in an office or dealership. She is someone who is selfless and has a passion for serving people of all walks of life; someone who makes a difference in your life. That is the kind of person that the MISA Women's Forum is looking to find and develop further through this annual award.

REGIONAL WINNERS PLAY IMPORTANT ROLE

The award is structured in such a way that a Regional Finalist is selected in each MISA region. They compete for the national title. There can only be one national winner, but the regional finalists also play an important role.

THE WINNER OF THE 2022 MISA WOMAN OF THE YEAR WINS AN OVERSEAS EDUCATIONAL TRIP IN 2023.

CLOSING DATE FOR NOMINATIONS: 31 May 2022.

Please email the forms to misa.womensforum@ms.org.za. For further information contact Karen Gouws on (041) 364 0102.
